A Message from the President/ Le message de la présidente

Patricia Laplante '80, President, Alumnae Association/Présidente de L'Association des anciennes

After a brief absence, we heard you loud and clear and this publication is back! This revised format will bring together several generations of graduates by offering an electronic version as well as a printed format. Our goal is to publish twice a year. I'd love to hear from you! With your news and feedback, let's turn this into "Our" newsletter. Thank you and I look forward to connecting with many of you in the months to come.

Après une courte absence, nous avons compris votre message ! Résultat : le bulletin d'information est de retour ! Ce nouveau format nous permettra de rejoindre autant les plus modernes, avec la version numérique, que les plus traditionnelles, avec la version papier. Notre but est de publier deux fois par année. J'aimerais avoir de vos nouvelles et que ceci soit vraiment « notre » bulletin ! Merci et au plaisir de communiquer avec vous dans les mois à venir.

A Message from the Head of School

Shawn O'Donnell, Head of School

There is much to be excited about at Sacred Heart! Again this year, Sacred students have impressed with their achievements in academics, sports, the Arts and community service. Our girls volunteered over 5,800 hours and raised almost \$60,000 for charity.

Thanks to the Board's strategic plan, we have a stable financial picture going forward. The goal of our annual campaign is \$250,000, much of which funds bursary programs that allow more girls and their families to discover the joy that is a Sacred Heart education.

Sacred Heart continues to offer a full-rounded education that combines academic excellence with timeless values. We are counting on our alumnae to be our ambassadors and spread the good news. Please tell everyone you know; Open House is September 28, and we are always open for personalized tours and student-for-the-day visits.

Young Alumnae Networking Evening

Selene Di Lallo '96, Vice-President, Alumnae Association

A first ever Young Alumnae Networking Evening was held last February. Older alums with established careers answered the call to join the event to mingle with young alums. The evening's goal was to allow the younger ladies a chance to speak to women with whom they share a common background, about their fields of study, in a familiar and informal environment. The Parlour was buzzing with chatter as the groups shared their stories, answered questions and doled out advice. It wasn't all "business", however, since all those in attendance had an opportunity to reminisce and catch-up with their former classmates. Positive feedback following the event confirmed the evening's success and assured that future networking events will be planned. Alumnae Spring Tea & Mass

Anna Romano '83

The beautiful faces of over 20 children of alumnae were seen at the school on May 11, when the Alumnae Association hosted a Family Tea & Mass. A lovely mass was held in the school's chapel followed by tea in the Parlour, with treats baked by our alumnae. The event allowed alums to share their Sacred Heart memories with their loved ones as they

wandered through the school. Many children were seen looking at their moms in the class photos hung throughout the building. What a delight for everyone involved!

Alumnae Pin Ceremony

Julie-Ann Barna '82

This year's Pin Ceremony was attended by forty-two alumnae, who presented their daughters, sisters, nieces, cousins or friends with their AMASC pin. Thanks to Maureen Brown '80, Alumnae Relations Coordinator, whose idea it was for this heartwarming ceremony. Alessia Di Giorgio '09, young alumnae representative, described the wonderful events that the class of 2013 could look forward to, including the Memory Book Evening.

Julie-Ann Barna '82, member of the Alumnae Association, addressed the graduating class, including her daughter Katherine Drummond. She described her memories and how Sacred Heart alumnae are always there for each other, and that they are most welcome back at Sacred Heart and abroad.

Mentorship Programme

Maureen Brown '80, Alumnae Relations Coordinator

On January 16, participants in the Alumnae Mentorship Programme came together for a closing breakfast.

This recently launched initiative matches an alumna with a Secondary V student. As Career Day introduces careers to students in a group setting, the Mentorship Programme provides one-on-one time with a professional working in a student's specific field of interest. This year's programme included goal-setting and other career-oriented workshops, as well as a "speed-mentoring" session.

2013 Homecoming – October 23-26

Maureen Brown '80, Alumnae Relations Coordinator

There truly is an event for everyone! Alumnae are invited to return for an evening of friendly competition in the gym, open to former coaches and Saints' athletes, or to look through Memory Books in the Parlour. At Friday's Reunion Dinner our Jubilarians, from the **Class of 1963**, will be honoured along with grads from classes ending in 3 and 8, who will also be celebrating milestones. Lastly, alumnae of all ages and their families are encouraged to attend our Tea & Mass to close out the week.

I look forward to meeting and reconnecting with many of you. Visit our Web page for more details.
