

# The Sacred Heart School of Montreal Parents' Guild

---

## Happy New Year!

Dear Parents,

Wishing you all the Best for 2019! The Parents' Guild has been very busy with successful events such as Salutatio and Curriculum Night, Open Houses, the Christmas Fair, and Christmas concert. All events were immensely successful with the support and generosity of the entire Sacred Heart Community and we could not have done this without you!

As we enter the second part of the school year and the deep freeze of winter (brrr!), the Parents' Guild began the new year with the Sports Canteen, at the MIS Basketball tournament, in support of our Sports Program. We are also gearing up for many events we traditionally host, beginning with the Teacher and Faculty Appreciation Lunch in February, Self-Defense Course in April, Previously loved uniforms offered at the Little-Big Sister day in April, Drama Production and Arts Festival in May and finally Graduation events in June.

Apart from these events, we have introduced Spirit Wear which was launched at the Christmas Fair and Christmas Concert, allowing the Sacred Heart Community to show their pride with the recognizable Sacred Heart logo! There are still some items available for purchase. We have some tuques and scarves just in time for the deep freeze of this winter, as well as a few aprons. Should you wish to pick some up, please contact us. Additionally, the PG will be supporting the School in both the upcoming Gala and the Annual Golf tournament. Finally, back by popular demand, we will join forces with the Alumnae association for Bingo Night that is guaranteed to be a great evening!

All these events are quite involved and require much preparation leading up to the event. None of these would be possible without the tireless commitment of the PG Executive Committee, as well as the PG members and the entire Sacred Heart Community that are always so generous in providing food, raffle prizes and time whether it is to come volunteer or in the form of participation and attendance. A particular note of gratitude for Mr. Ward and Gedi who are always, always there to support and help at all these events. You are both honorary PG members for life!!

It is never too late to join the PG! It is an amazing group of folks who are always willing to help at events all the while, having a blast doing so! We meet every first Tuesday of the month at 6:30 pm at the school. This is where the magic is planned! Feel free to pop by and see what is all about and how you can be involved. Otherwise, we thank you in advance for tuning into Highlights every week where events are posted and ways in which you can participate are outlined.

Looking forward to meeting you at our upcoming events!
