A Message from the Head of School

Shawn O'Donnell

The school year ends on a high note, as we end a successful annual fundraising campaign. Our single largest fundraiser, the Annual Sacred Heart Open golf tournament, benefitted greatly from the participation and volunteer organization of alumnae, including very recent grads. We look ahead to September's Open House with optimism, as our enrolment for 2014-2015 has increased by 25 percent! One of the changes we've made to that event is an iPhone app that will allow prospective students and parents to take a self-guided tour of the school, if they so choose.

The longer-term future also looks bright now that we have completed the first part of a strategic planning exercise that saw a dozen focus groups, comprised of members of all of our constituencies, including alumnae, discuss the goals and priorities for the school over the coming five years.

Stay in touch with us via our Web site, LinkedIn group, Facebook page, Twitter feed, or our new Instagram account! My school, my home, my Sacred Heart!

Un message de la Présidente

**Patricia Laplante '80, Présidente de
l'Association des anciennes.**

Bonjour à toutes les anciennes de la communauté de l'École du Sacré Cœur de Montréal.

Nous sommes à la fin de l'année scolaire et nous avons plusieurs faits importants à partager avec vous. Nos événements ont été exceptionnellement bien suivis cette année par nos anciennes, représentées par plusieurs décennies. La messe du printemps du mois d'avril dernier qui a été suivie d'un petit goûter a attiré au-delà de 75 personnes. La cérémonie traditionnelle de « pin » a rassemblé les 37 diplômées de 2014 accompagnées de 25 à 30 anciennes pour les accueillir dans AMASC. De plus, j'en profite pour féliciter nos « jeunes » anciennes qui ont gagné le tournoi de golf du 12 juin dernier.

Cet automne, nous souhaitons célébrer les diplômées des années '4 et '9 lors du souper des retrouvailles qui aura lieu le vendredi 24 octobre. Au cours des dernières années, nous avons eu le plaisir de vous accueillir en grand nombre, je vous invite donc à vous inscrire.

Je vous souhaite à chacune d'entre vous un très bel été et au plaisir de vous voir en grande forme au mois d'octobre!

Spring Tea & Mass

On April 5, 2014 approximately 80 people attended the annual Spring Tea & Mass. Fr. Gerald Mathieu, SJ, from Loyola High School, came to celebrate mass. Alumnae and their families, along with some current students and parents attended mass and enjoyed a cup of tea and home-made sweets in the Parlour afterwards. Children participated in an Easter-related arts & craft activity while school tours were provided to all those interested. Mark your calendar for the April 2015 gathering.

Cantiamo Choral Ensemble: Making Music in the Chapel

Montreal's newest innovative choral ensemble presented a benefit concert for The Sacred Heart School of Montreal on May 24, in the school's chapel. The group of 55 singers performed music from the Renaissance to the Rankin Family, and were directed by Kris Epps. Given the success of the event, plans are in the works to host this group again in 2014-2015. Stay tuned, live music fans!

Charity Basketball Tournament

Allyson Fontes '14, GAA Co-Captain, organized basketball fundraiser for the Heart & Stroke Foundation. Her goal was to bring different grade levels together, encourage sports, raise money and give back to the community. She recruited 8 teams made up of junior and senior students, teachers and alumnae. The alumnae made up two different teams: "V for Vintage" and "Expired but not Retired". The "Vintage" Team, captained by **Selene Di Lallo '96**, went home with a 3rd place finish. Congratulations, ladies!

Science Week,

You may have heard Sacred Heart students on CBC Radio this spring, discussing their interest in science. The five-day Science Week event held March 24 to 28 at the school exposed students at every grade level to STEM (Science, Technology, Engineering, and Mathematics) topics. In addition to a Robotics competition and a Science Expo, there was a lecture by award-winning professor, author, and columnist Joe A. Schwarcz. Addressing the effort involved in organizing the event, science teacher David Reda concluded, "If even just one student decides to take up a career path in the sciences, it's worth it."

Secondary I student Hannah Johnston displays her experiment results for CBC radio's Homerun.

Alumnae Pin Ceremony

Each May, the Secondary V students gather in the school's chapel to receive their alumnae pin. The graduates invite a special alumna to the ceremony to issue her pin. Close to 30 alumnae were present to participate in the ceremony and hear from **Alessia Di Giorgio '09**, representing the Montreal Alumnae Association and guest speaker **Donna Lutfy '85**, mother of Marissa Mezzaluna '14 to share some of her memories with the graduates. **Maureen Brown '80**, Alumnae Coordinator, welcomed the girls into the larger International Network of Sacred Heart Alumnae, AMASC, and introduced the class representatives for the Class of 2014.

SHSM Production of The Wizard of Oz:

From May 1 to 3, two casts of 36 students from all secondary levels performed in the school's production of *The Wizard of Oz*. Eleven alumnae were also involved in vocal and dance

coaching as well as make-up, set construction and post-production. All proceeds benefitted the school's Bursary Fund. Later, some of the cast sang for patients at the Montreal Children's Hospital, to bring them a little cheer.

Comedy Night Fundraiser with Loyola High School

Board member and current parent **Elizabeth Shamie '82** was a key member of the organizing team of this event that brought together longtime allies, Sacred Heart and Loyola. Both schools joined forces to host a comedy night fundraiser that benefitted the Bursary Funds of each school. *Just for Laughs* comedians Ryan Hamilton and Graham Chittenden did their duty and cracked up the audience. Over \$20,000 was raised to provide tuition aid for Sacred Heart families.

13th Annual Sacred Heart Open Golf Tournament

With three alumnae teams in the running this year, it was a young alumnae foursome that took home the Founders' Cup, awarded to the best alumnae team. Congratulations to **Erin Brown-Vandecruys '09**, **Sophie Cruvellier '12**, **Caitlin Matthew '12**, and **Christina Paolucci '09**. As has been the case since 2013, recent graduates of Sacred Heart pay a discounted rate to play and enjoy dinner. During dinner, things heated up with the silent auction, which was organized this year by **Anna Romano '83**. The golf tournament, including dinner, is the single largest fundraising event for The Sacred Heart School of Montreal, thanks not only to the players but to those who attend dinner, purchase raffle tickets, and silent auction items and make donations directly to the Scholarships & Bursaries fund. Volunteers are also a key part of the tournament's success, and this year they were skillfully organized by **Alessia Di Giorgio '09** (shown here below right with her father Mr. Robert Di Giorgio).

Convocation 2014

On June 19, Sacred Heart gathered to celebrate its 153rd graduating class. The class of 2014 received their diplomas and the winners of special prizes and awards were also recognized. The graduation address, given by **Gweneth Thirlwell '93**, was inspirational and invited the grads to rise to every challenge they may face in their future. Our valedictorian, **Kelly Burchell-Reyes '14**, did her class and school proud with a unique and witty address. Before inviting the guests to a reception, Mr. O'Donnell, Head of School, offered his best wishes to the graduating class.

Nouvelles du Réseau du Sacré-Coeur

Le Cœur au cœur de l'Afrique.

L'Amicale Française Braun

est un réseau des anciennes et anciens élèves du Sacré-Cœur de la République Démocratique du Congo résidant en Amérique du Nord (Etats-Unis et Canada), créé en 2010. Elle veut honorer la mémoire de la Révérende Mère Françoise Braun,

une des cinq fondatrices qui partirent de la Belgique le 3 Novembre 1926 pour aider à l'établissement de la première présence des Religieuses du Sacré-Cœur en Afrique sub-Saharienne: au Congo Belge.

L'AFB s'est constituée en organisation à but non lucratif, en Juin 2013. Elle tenait sa première assemblée annuelle, le 24 mai 2014, à l'Ecole du Sacré-Cœur de Montréal. C'est grâce à Mme Maureen Brown que l'AFB a pu obtenir l'autorisation de son Directeur d'utiliser les bâtiments de l'Ecole à cette date.

Une vingtaine de nos membres ont fait le déplacement : de Washington, DC ; de Saskatoon, SK ; de Kitchener, ON ; d'Ottawa, de Gatineau et de Montréal. Les discussions ont entre autres porté sur le caractère international du Sacré-Cœur en action : notamment sur

le grand élan de solidarité et d'amitié de la grande famille du Sacré-Cœur à la suite de l'incendie qui a fait rage au Lycée de Mbanza-Mboma en février dernier. Le rôle joué par la Province USA/Canada des RSCJ, l'AMASC et les écoles du Sacré-Cœur, a été salué et particulièrement remarqué dans un mot de remerciement proposé par une ancienne de Mbanza-Mboma.
