

This Weekend in Residence

This weekend's adventure began with a visit to a Sugar Shack in Rigaud, where Boarding students tried traditional Québec dishes, listened to live Québécois folk music, and learned about how maple syrup is made!

This Weekend in Residence

The second part to our long weekend was to cheer on CF Montreal against Orlando City FC. The boarding students dressed in team colours, joined in with the rest of the stadium for chants and cheering, and were gifted a photo of this year's team!
